THURSDAY MORNING, APRIL 18. THE CINCINNATI CONVENTION. The following is published in this col- of Louisiana, Federal modes of popular umn, because it tallies exactly with the robbery are more detestable and insuffercame to us by telegraph, yesterday, men's practices of Warmoth, Reed et id from Chicago, where it was pub-omne genus of place-holding thieves. lished conspicuously as a doubleleaded editorial in the Times, a Democratic party has secured it a commanding position among the journals of the Northwest. It reads as if the result of consultation, and has the ring of true Democratic independence. It appears as a becoming and very proper commentary on, and censure of, the course of the Chicago Tribune and other Republican papers in seeking to change the character of the Cincinnati Convention, as originally announced, to merely a Republican Convention, as a sine qua non, the political annihilation of the Democratic party as well as the defeat of Grant. The Times says:

Entrons Appeal—It is a curious circumstance that so many excellent gentlemes have in its defensable columns to the Governor's place in the connection of the Northwest. There are Colonics and private soldiers whose right to the office was worken in the connection of the same tasent their preparatives. If Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these simple facts and of the relations of Generals now before the public, I am permand the flower of these sent the inmesser. If Generals whose right to the office was not any moment assert their prevalents in the course of the consensus of the relations of Generals now before the public, I am permand the flower of these same and of the relations of Generals now before the public, I am permand the flower of these same and of the relations of Generals now before the public, I am permand the flower of th paper whose unswerving devotion to the

belp elect him, after which the two haives ernor Brown can do nothing during his will re-unite, and go on plundering, robbing, lirst term, save by the conduct of a wise stealing, and making the government into a administration, to protract his authority, ism as before whiether laugh at the ridi- and however dangerous the right of succession may be deemed, when the Presisulons simpletons who have made themselves the term Liberal nuder which the Cincinnati dent is invested with it, we do not see ouvention was called, can be understood to that parallelism of fact obtains, or that comprehend any such illiberal arrangement. Identity of results can occur in case of sort is a necessity of the Cincinnati Convention | the re-election of a Governor. As to the if they did so understand it, or if they should rest of the argument, it is perhaps jocuter made to so understand it, the Cincinnati lar, and if not, is forcible only among continuould hardly be expected to real- the candidates and aspirants. If they The Times insists that, as Democrats are expected to furnish the votes to elect the Cin-cinnati nominees, they should be consulted. public need not concern itself about The success of the Cincinnati movement will the matter. All that the people depend not on Democrats or Republicans, but on the harmonious co-operation of the ciri- want is an honest, sensible, upright sens included by both of those terms, who Governor, who cannot be upset by the hold liberal opinions, which will enable wind from the coat-tail of a passing railthem to unite upon a common ground road king, and knowing how to conduct of equity. Manifestly some sacrifice will be necessary on both sides. There is himself with decency before the world, not the least likelihood that party proj- makes his State honorable, whether he odies, on one part will be given up to any greater extent than party periodices on the other part, are given up to any greater extent than party prejudices on the other part, are given as the party ergination shall person or in a State paper be are an admiring world. Tennessee where the other part, are given as the party ergination shall person, then the Democratic party ergination shall person, then the shall post state down to other them as a season and shall be shall be shall person there may spring turn to exponent with the protocology of the state of the plants of t odices, on one part will be given up to appears in person or in a State paper be-Seylia. Thus a national convention of the Democratic party will be neld is now a determined fact. It will be called to nominate candidates for President and Vice-President. If the small on is then found to be what the Chicago for the small nominate candidates and Chicago for the small nominate candidates and proceedings of that body. The small nominate candidates and proceedings of closely printed matter.

The small on a national convention of the Democratic party will be neld is now a determined in doctrine and usages, in some respects, almost entirely German, has eighty thousand communication the fact it will be called to nominate candidates and copies of the small state of the Methodists, almost entirely German, has eighty thousand communication the fact it will be called to nominate candidates seventy-seven thousand copies of the small state of the Methodists, almost entirely German, has eighty thousand communication the fact it will be called to nominate candidates and copies of the small state of the official organ of the Agricultural Congress, it publishes the defined in the first of the Methodists, almost entirely German, has eighty thousand communication to be what the official organ of the Agricultural Congress, it publishes the definition of the official organ of the Agricultural Congress, it publishes the communication of the official organ of the Agricultural Congress, it publishes the definition of the official organ of the Agricultural Congress, it publishes the control of the Methodists, almost entirely German, has eighty thousand communication on the facts affirmed. It has bearing on the facts affirmed in the form his country and from his country and from his country and the official organ of the Agricultural Congress, it publishes the form his country and from his country and the official form his country and the official form his country and t Seylla.
